

Bowmoor Sailing Club Declaration of parent or person with legal responsibility

Instructors/coaches cannot take responsibility for the administration of routine medication and parents must be on hand to do this.

Parents are required to stay on site and may be asked to help out on the day. You will probably need to help your child during launching and recovery -so please bring your wellington boots or better still waders!

Parents need to be aware that adults may be using the changing facilities at the same time.

Medical consent

I give permission to the organisers of the activities to administer any relevant treatment or medication to the above-named participant when or if necessary.

In an emergency situation I authorise the organisers to take my child to hospital and give my full permission for any treatment required to be carried out in accordance with the hospital's diagnosis. I understand that I shall be notified, as soon as possible, of the hospital visit and any treatment given by the hospital.

I grant to the organisers without payment the right in perpetuity to make, use and show any motion pictures, still pictures and live, taped or filmed television of or relating to the event.

I agree to notify the organisation of any relevant changes in my child's circumstances.

I confirm that my child is not under a court order.

By ticking the box the parent or person with legal responsibility agrees to the conditions and I acknowledge that I have read the attached conditions of participation and that I fully understand them. I have explained them to my child, who understands and agrees to abide by them.
